Titanium Nail Puller

Stiletto Tools, Inc. introduces the patented ClawBar eight ounce titanium nail puller with the Dimpler™ feature. This tool is 12" long and allows you to remove nails without damaging your work. It has a solid titanium open truss design making it lighter and stronger than steel pullers. Retailing for \$49.95, the new ClawBar has greater pulling power and won't sting your hand. For more information call 800-987-1849 or visit www.stilettotools.com.
