

ERGONOMICS

Issue 2, 2003

Ergonomics increases workplace productivity and safety

Keyboard Trays

Half the weight for fatigue and stress relief

Stiletto Titanium Hammers drive nails like a heavy steel hammer, but at half the weight. The **Titan** models feature a curved, ergonomic handle design and 16 oz. titanium hammerhead. Titanium's natural shock absorption alleviates muscle strain and joint soreness to help relieve "carpenter's elbow." The Titan also features a magnetic nail holder for safe, easy, one-handed nail starts—great in overhead work.

Handle/Hammer designs: Curved Aluminum, 16"; Curved American Hickory, 16"; Sledge Hammer, Straight, 13", 25 lbs. Large, long handles generate more leverage and power. All-titanium hammers will not rust.

COMPUTER ACCESSORIES

| | |
|-------------------------------|----|
| Keyboard trays & accessories | 2 |
| Keyboards | 15 |
| Wrist rests | 21 |
| Computer mice, mouse supports | 26 |
| Lighting | 37 |
| Magnification | 38 |
| Glare filters/privacy screens | 82 |
| Laptop accessories | 73 |

SEATING AND SUPPORTS

| | |
|----------------------|----|
| Task chairs | 41 |
| Big and tall seating | 50 |
| 24-hour seating | 51 |
| Sit/stand stools | 56 |
| Air cleaners | 59 |
| Back supports | 60 |
| Foot supports | 64 |

WORKSTATIONS

| | |
|---------------------------|----|
| Sit-to-stand workstations | 66 |
| Mobile workstations | 68 |
| Industrial workstations | 71 |

WORKSTATION ACCESSORIES

| | |
|-----------------------------|----|
| Headsets | 78 |
| Ergonomic office supplies | 81 |
| Monitor risers/arm supports | 88 |
| Document holders | 92 |
| Edge and corner protection | 96 |

FOOT AND HAND PROTECTION

| | |
|------------------------|-----|
| Heel and foot cushions | 105 |
| Anti-vibration gloves | 106 |
| Elbow protection | 107 |
| Thermo wraps | 111 |

ERGONOMIC TOOLS

| | |
|--------------------|-----|
| Hammers | 112 |
| Tool grips | 113 |
| Pliers and cutters | 114 |
| Ear/eye safety | 118 |

KNEE AND BACK PROTECTION

| | |
|------------------------|-----|
| Knee and ankle support | 119 |
| Back support | 122 |
| Material lifters | 124 |

HEALTH AND WELLNESS

| | |
|----------------------------|-----|
| Ergonomic training guides | 128 |
| Blood pressure monitors | 130 |
| Ergonomic assessment tools | 131 |
| Exercisers | 133 |
| Personal comfort | 156 |

CARPAL TUNNEL SYNDROME

| | |
|----------------------------|-----|
| Wrist braces/splints/wraps | 137 |
| Industrial wrist support | 141 |
| Finger mobility | 142 |
| Thumb support | 145 |

HAZARD PROTECTION

| | |
|-------------------------------------|-----|
| Pedestrian and auto traffic control | 146 |
| Air cleaners | 59 |

ELECTROSTATIC PROTECTION

| | |
|------------------------|-----|
| Arm supports and tools | 148 |
| ESD matting | 149 |

ADA SOLUTIONS

| | |
|-----------------------------|-----|
| Upper extremity limitations | 150 |
| Neck and spine limitations | 152 |
| Vision impairment | 153 |
| Mobility limitations | 154 |

PERSONAL COMFORT

| | |
|---------------------------------------|-----|
| Sleep and reading aids/office helpers | 156 |
|---------------------------------------|-----|
